Mature well-mannered dogs accustomed to being away from home and accompanied by well-trained owners are welcome.

Dogs and their owners must heed these policies:

Never leave you dog alone in your cabin.  
Always leash you dog when outside.

When elk, deer or bighorn sheep are in the area, dogs  
must be inside your cabin.  
No barking, howling, or whining at any time.

Dogs must take their exercise away from the cottages.  
Owners must clean up after the dogs. Dog waste bags  
are located throughout the property in the green dog houses.

Dogs must bring their own dishes for food and water.  
Dogs who like to lie on the furniture must bring their own.

Dogs must be registered at check-in.
